

hoox is the market leader when it comes to real estate marketing and communication. But don't get us wrong, we go way beyond those construction site boards or newspaper ads. Our campaigns are above, below and -yes- even through the line, integrating online and offline media components and trying to be as hip as latest issue of Vogue.

Are you passionate about 3D, experienced in creating 3D images and eager to grow into a more coordinating function? We are currently looking for a new colleague to strengthen our masterly 3D-development team. You'll be the point of contact for every 3D production. As we are highly in demand by our clients, our own demands are high as well...
